Submission Length:

October 1, 2024, through October 31, 2024.

Who can submit photos?

The Ag Partners Photo Contest is open to residents of our service territory. This includes Ag Partners members, customers, employees, professionals, and community members who choose to showcase what agriculture means to them through photography.

How many photos can I submit? Do I have to create a separate submission for each one?

Each entrant can submit an unlimited number of photos. Each submission is counted as a separate entry. However, each entrant can only win up to one prize per contest season.

What types of files are accepted?

It is recommended to submit high-resolution images in either a JPEG or PNG format up to 20MB.

Where do I submit my photos?

Photos will only be accepted at <https://www.agpartnerscoop.com/about/fall-photo-contest>. No other form of submission will be accepted.

What Can I Win?

Three prizes will be awarded based on "People's Choice." First place will receive a \$100 cash gift card, Second place will receive a \$75 cash gift card, and Third place will receive a \$50 cash gift card.

People's Choice Scoring:

Once submitted, your photo will be placed in the "Harvest Photo Contest 2024" Album on our Ag Partner's Facebook page. Likes, comments and shares will each be worth one point. The photo from the album with the most combined points will be awarded first place, then second place, and third place. We encourage you to share our album with your friends and followers, but please remember that we are only able to see interactions on the original photos, not those on individual photos shared on a personal page.
