

2022 Fall Harvest Unload Policy

Corn, Soybeans & Milo

All Ag Partners Locations

- Cash, Contract, Grain Bank or Delayed Pricing Only
 - OPEN STORAGE is limited
 - Existing Condo Agreements will be honored and Grain Bank is still available
 - Grain Bank receives a prorated service fee of \$.05/bushel/month until sold.
 - Any bushels not sold or contracted will be placed on **Delayed Pricing Contracts***

***Delayed Pricing (DP) Contracts**, or Price Later or No Price Established, allows customers to leave their grain unpriced and establish a price later while passing ownership to Ag Partners Coop.

- Corn priced prior to **October 31, 2022** will have no fees. After October 31, Corn will have a prorated service fee of \$.04/bushel/month calculated from unload date until sold.
- Soybeans priced prior to **November 25, 2022** will have no fees. After November 25, Soybeans will have a prorated service fee of \$.04/bushel/month calculated from unload date until sold.
- Milo priced within 15 days of delivery will have no fees. After 15 days from delivery, there will be a prorated service fee of \$.04/bushel/month calculated from unload date until sold.
- **All DP Contracts must be priced by October 31, 2023.**
- Flexibility to price any bushel amount
- The price is based on the published cash price at the location where the bushels are located
- Subject to basis and futures price risk, just like storage
- **This is not storage. Title passes to buyer and you are unable to get a CCC loan or LDP once applied to a DP Contract** (unloads Friday through Thursday applied to DP Contracts each Friday)
- All DP Contracts require a signature. Any DP Contracts unpriced as of December 31, 2022 will be mailed out for signatures and **must be signed and returned.**
 - ****Please communicate this with any landlord(s)****

Effective Monday, September 26, 2022. All policies and programs are subject to change at any time without notice.
