

## Ag Partners Welcomes New CEO, Duane Anderson

This week Ag Partners welcomed Duane Anderson, president and chief executive officer, to the team. Duane's extensive experience in agriculture and finance, combined with his customer and employee focus will help Ag Partners Cooperative, Inc. achieve its vision for the future. We are confident he will continue to guide us in capitalizing on exciting opportunities that will help us to grow our business. We are excited to have Duane as the leader at the cooperative, and look

# Spring 2020 Soil Temperatures

Our Digital Ag & Services Specialists have been tracking soil temperatures across all three of our service regions. Make sure to check out the Soil Temperature section of our Agronomy page to see what temperatures are at in your area!
