[1]Purchases must be made between September 1, 2026 - August 31, 2027 to qualify. Credits will be applied to your Agtegra account in November of 2027. The initial $3/acre credit is based on the lowest qualifying acreage among the required products purchased, up to the total soybean seed acres purchased. Additional $3/acre credits are earned for each qualifying additional product purchased and are limited based on the combined corn and soybean seed acres purchased. Qualifying acres are calculated using the following use rates: Dekalb corn seed 3 units/acre, Asgrow soybean seed 1 unit/acre, Harness Xtra 6.0 or Harness Max 48 oz/acre or Trivolt 14 oz/acre, and Warrant 48 oz/acre. [2]See separate flyers for program details.
