

ENTERING A BIN?

DO IT SAFELY.

Entering a grain bin and risking grain engulfment is one of the most dangerous things you can do as a farmer - yet, most farmers need to do it at some point during the year. Enter your bins safely with a Bin Entry Kit available for purchase from Agtegra Cooperative.

FOR SALE TO MEMBERS AT COST:
\$460

Kit includes:

- 1-Storage bag
- 1-Edge protecting rope pad
- 1-Singing rock work harness
- 1- 8' Sling anchoring strap
- 1- 100' NFPA 1983 Class G Rope
- 1- 8mm sewn prusik
- 1-50 kilonewton self-locking carabiner
