

**2025**

## Creep feed with ease this season!

Lock in your creep feed pricing today with no prepay required! Agtegra Cooperative is making it easier than ever to feed your calves efficiently with our latest innovation—all creep feeders now come equipped with a monitor that remotely tracks feed levels, giving both you and Agtegra remote access to feed levels. Plus, take advantage of 0% financing for 6 months to help manage cash flow while ensuring your herd gets the nutrition it needs. Book now and experience more convenient feeding!

### Creep Feeder Rental

New this year, all Agtegra creep feeders include an installed monitor that senses feed levels in the feeder, giving you and Agtegra remote access to view feed levels.

For cattle ranchers who own their own feeder, but who also want to remotely monitor feed levels, Agtegra will install a rented monitor at no cost if at least 15 tons of creep feed are put through the feeder by Agtegra during the season<sup>1</sup>.

### 0% Financing

Finance your creep feed purchases with Purina<sup>®</sup> 6-4-0 Financing to receive 0% financing for 6 months.

**Visit with your local Agtegra feed representative or Dakotaland Feeds Nutritionist to book creep feed and for more information on creep feeder rentals and 0% financing.**

Product	Price
RL Calf Creep Non Med	\$285/ton
RL Calf Creep B68	\$290/ton
RL Calf Creep Step 1	\$290/ton
RL Calf Creep AU130 B68 (VFD required)	\$295/ton
Creep feeder rental with monitor	\$250/season

# Diamond Creep Feeders For Sale

Manufactured locally at Plains Industries, LLC near Leola, SD, Diamond Creep Feeders are designed by farmers for farmers and are available to purchase from Agtegra Cooperative. The 165-bushel creep feeders come with panels, stainless steel trays and wheels. They are constructed using a heavy duty square tube frame along with hot dipped galvanized sheet metal and gates built using 14 gauge square tubing for durability.

In stock creep feeders are mostly located at the Ipswich Farm Store, but can be delivered anywhere within Agtegra’s trade territory for a fee.

Purchase Options	Price
5-Year Lease to Own	\$4,925 + tax
Payments due January 22 each year	\$985 + tax/year
Paid in Full	\$4,825 + tax

Prices valid as of March 19, 2025. Prices subject to change.
