

CENTRAL FARM SERVICE
Trusted Service. Cooperative Value.

AVERAGE PRICE CONTRACT CORN

HOW IT WORKS

- Sign-up runs until 9/30/2024 for both the December 24 contract and the July 2025 contract. Reach out to a CFS Grain Advisor for more details.
- Bushels are priced daily at the settlement price from 10/1/24-10/31/24 vs. December 2024 Futures and/or July 2025 Futures.
- Once the pricing period ends, the contract price is determined and it turns into a Futures First Contract.

PRODUCER BENEFITS

- Follows the October pricing period for your revenue protection crop insurance.
- Prevents further losses if prices continue to decline after October.
- Catch up on new crop sales at your guaranteed revenue level
