

CO-ALLIANCE EARLY ORDER YIELD ASSURANCE WARRANTY (CORN OR SOYBEANS)

MAXIMIZE YOUR YIELDS WITH CONFIDENCE THROUGH THE CO-ALLIANCE EARLY ORDER YIELD ASSURANCE WARRANTY!

THE OPPORTUNITY

Co-Alliance is offering an exclusive, brand-new opportunity for seed customers to access the broadest seed portfolio to grow their performance on every acre AND reduce their financial exposure. When you follow the simple steps below, you will capture the up-side of Co-Alliance's high-performing products and if those products don't meet or beat your Benchmark Yield, you will receive a warranty payment.

OVERVIEW:

To qualify for the Crop Plan, growers must purchase all required products from Co-Alliance and apply following Co-Alliance's recommendations. Growers must also maintain an active multi-peril crop insurance policy on all enrolled acres.

REQUIREMENTS:

1. Purchase and plant recommended seed from Co-Alliance (whichever is the highest).
 - Last years purchased seed acre amount.
or
 - 250 Acres.
2. Purchase equal acres one of the following:
 - Recommended foliar fungicide with Masterlock® adjuvant.
 - Xyway® LFR® in-furrow fungicide, followed by an in-crop nutritional application.
 - Foliar fungicide followed by an in-crop nutritional or biological product applied during growing season

Seed Brands: AgriGold®, Alloy™, Asgrow®, Brevant®, Croplan®, Dekalb®, NK Seeds® or Xitavo™

Foliar Fungicide Brands: Miravis® Neo, Miravis® Top, Trivapro®, Revytek®, Veltyma®, Delaro®, Delaro® Complete, Adastrio™, Lucento® or Approach® Prima

In-Crop Nutritional Brands: All Max-IN™ Products, Driver 500® or NutriPoly®

Participating Crops:

- CORN
- SOYBEANS

Benchmark Yield:

- 105% Benchmark Yield

Warranty Credit:

- If your Benchmark Yield is not achieved:
- 90%-104% of Benchmark **\$10/acre**
 - 80%-89% of Benchmark **\$20/acre**

Co-Alliance Assurance Warranty is part of the "Go Seed Early" Offer Program. Final date for warranty offer sign-up ends November 17, 2023.

CONTACT YOUR CO-ALLIANCE AGRONOMY SPECIALIST FOR MORE INFORMATION!

Each customer must consent to the standard Terms and Conditions applicable to the Crop Plans.

* 1 unit of corn = 2.6 acres and 1 unit of soybeans = 1 acre for calculation purposes

Co-Alliance Yield Assurance Warranty is offered in partnership with Growers Edge.

CO-ALLIANCE EARLY ORDER YIELD ASSURANCE WARRANTY (CORN OR SOYBEANS)

2023-2024 WARRANTY EXAMPLE SCENARIO

Protecting Grower's Investments (Example of 250A Corn)

105% Benchmark Yield = 195 bu/A

Harvested Yield (90-104%) = 194-175.5 bu/A

250 A X \$10/acre = \$2,500
Triggering Warranty Warranty Payment Paid to Grower

OR

Harvested Yield (80-89%) = 175-156 bu/A

250 A X \$20/acre = \$5,000
Triggering Warranty Warranty Payment Paid to Grower

PROCESS:

- **Early Seed Enrollment:** Grower commits to crops, estimated acres, and agrees to the Terms & Conditions via a text message/email sent by Growers Edge.
 - Sellers enter information via the Growers Edge Portal with grower's name, address, email, and estimated acres.
- **Identification of Acres:** Growers are contacted by Growers Edge, via text message/email, to identify fields the products are placed on via Growers Edge Web-App.
 - Co-Alliance can send field boundaries to Growers Edge as a part of this step.
- **Yield/Warranty Review Submission:** Final yield is reported on the Growers Edge Web-App, and review is submitted if needed to Growers Edge.
 - If review is requested, Growers Edge will contact the Growers Insurance Agent for the necessary documentation.
- **Warranty Reviews:** Warranty Reviews are assessed and paid out.

All Identified Acres that receive a multi-peril crop insurance payment will not be eligible for the Early Order Yield Assurance Warranty Payment
