

Lamb Creep / Starters

1852700-206

B BULK -201

Special Lamb Creep B90

Our popular creep is a proven, highly palatable commercial creep. Medicated with Bovatec® to help prevent Coccidiosis.

3004549-206 (906)

Honor® Show Chow® Showlamb Creep DX30

The best lamb creep on the market. A complete feed designed for lambs up to 75 lbs. Very palatable, a mini pellet with Deccox® to help prevent coccidiosis. 20% protein and 5% fat will help your lambs grow and shine, but won't burn out. Features Lambitine™ technology to increase intake and efficiency. Also includes Puriferm™, TASCO®, Zinpro® and FulFill®.

3003809-206

B BULK -201

Purina Delta Lamb & Ewe Breeder DX30

Revolutionary new product design allows you to feed lambs and ewes together changing the way you feed. Purina® Delta Lamb & Ewe Breeder helps aid early feed adoption in lambs and helps ewes increase milk fat production and maintain body condition. The optimal pellet size and high fat content provides for a highly palatable ration that helps get those lambs off to a great start and keeps ewes in great condition after lambing. Contains Deccox® to help control Coccidiosis, Ammonium Chloride to help prevent urinary calculi and added Vitamin E and Selenium.

3002400-206

B BULK -201

Purina® Lamb Starter

Gets lambs off to a solid start and onto creep quickly.

3004551-206 (906)

Honor® Show Chow® EXP 15 Pellet DX

Designed as a top shelf show feed and a great creep for wether-type lambs. This is a popular creep that can be used as a grower/finisher and helps promote early intake and helps make lambs bloom and shine quickly. A mini pellet that is a high-energy formula with 15% protein and 5.5% fat and medicated with Deccox®, it also features all you would expect from a Show feed including Puriferm™, Tasco®, Zinpro® and FulFill®.

3004990-206

Purina® Sheep and Goat Receiving Ration DX .0033

This high roughage feed supports rumen health and is quite palatable. Added Lambitine™ technology for increased consumption to get fresh weaned lambs onto feed quickly and reduce stress.

Growers / Finishers / Completes

3002405-206

Purina® Lamb Grower

Our pelleted 14% protein, 2% fat non-medicated Lamb Grower continues to build off of our Lamb Starter.

1850500-206

B BULK -201

Lamb Grower Complete B30

This 18% protein, 2% fat grower product is a complete feed combining roughage, grain and supplement and is intended for feed lot lambs. Medicated with Bovatec® to help prevent coccidiosis.

3004535-506

Honor® Show Chow® Flex Lamb TXT DX30

Designed as a highly-palatable, textured feed, Flex Lamb TXT DX30 provides greater fill helping produce fuller-appearing lambs. Flex Lamb is a 16% protein feed that is higher in roughage, and lower in energy for show lambs that need to remain thinner conditioned without sacrificing rumen fill. It can be fed to show lambs, replacement ewe lambs, rams and mature ewe flocks. Medicated with Bovatec® in the SW (3003187-506).

3004492-506

Honor® Show Chow® Showlamb Grower Text DX

A terrific texturized grower with 18% protein, 3.5% fat, Deccox®, and PuriFerm®. A complete feed that provides balanced energy and protein to allow sheep to achieve top show ring performance. Showlamb Grower has fed numerous market lambs and breeding sheep champions across the country. In some circles, our Showlamb Grower is also used as a texturized creep or starter.

1851800-206

B BULK -201

Lamb Grower-Finisher Complete B30

A complete grower/finisher pellet that is 16% protein, 2% fat and 16% fiber. Medicated with Bovatec® to help prevent coccidiosis.

Grind and Mix (Concentrates)

1860210-206

B BULK -201

Sheep Balancer Non Med

A popular non-medicated ration balancer that is 36% protein with added calcium and ammonium chloride to help prevent urinary calculi. Mix 22% sheep balancer with 78% grain and you've got a custom ration.

1860220-206

B BULK -201

Sheep Balancer B136

The medicated version of our most widely used ration balancer with Bovatec® to help prevent coccidiosis.

3004546-506

Honor® Show Chow® Grand Lamb Mixer DX .005

A blended concentrate containing a pellet and steam-flaked barley that can be mixed with corn, oats and molasses for "custom" high quality show lamb diets. This 33% protein and 2% fat ration balancer has been used for years with great success.

Blocks and Milk Replacers

3004804-634

Purina® Accuration® Sheep & Goat Hi-Fat 200 lb Block

Revolutionary block designed specifically for Sheep & Goats on pasture, our new Accuration® Sheep & Goat Hi-Fat Block provides convenience and piece of mind for your entire goat herd or flock of ewes. Weather-resistant protein block with added fat that is designed to balance nutrients in fair to poor quality forages. Our proprietary Accuration® technology helps support year-round sustained nutrition and our unique formula provides a high level of fat supplied by our proprietary extruded nugget that is easily metabolized. Add to this the trusted Purina® brand, and you've got a product ready to help you obtain your nutritional objectives.

1494500-103

Ultra Fresh® Optimum Lamb 25 LB Powder

Designed to optimize nutrition for your lambs. It features an enhanced fatty acid profile, a balance of 25% protein and 30% fat, Digestarom® (a mix of essential oils, herbs, spices, extracts and natural flavors designed to support gut health), and Beta Glucan (a complex carbohydrate to promote gut health and support strong immunity).

Minerals

3002411-106

Purina® Premier Sheep Mineral

The Purina sheep mineral with proper 2:1 Calcium to Phosphorus ratio to help prevent urinary calculi. Contains added Selenium. Suitable for the entire flock. An economical and palatable meal mineral.

3003807-106

Purina® Wind & Rain® Sheep Mineral

Another new product designed for Sheep with our patented and proven Wind & Rain® technology that helps reduce clumping and therefore reduces waste in your operation saving you time and money. Contains added Calcium, Vitamins A and E along with Selenium and organic Zinc.

3004692-106

B BULK -101

Accuration® 2HL Sheep/Goat

Accuration® 2HL is a 25% protein, 8% fat product that is made in meal form. Works with average to low quality forage to improve body condition year around. It has our patented Accuration® Intake Modifying Technology™ from a brand you can trust.
