Country Visions Cooperative and CP Feeds, LLC Announce \$33,000 in Scholarship Awards

Country Visions Cooperative and CP Feeds, LLC would like to congratulate the graduating class of 2022. Innovation, creativity and perseverance prevailed and the students are ready for the next step. Country Visions and CP Feeds have partnered to offer support to these students for their dedication by awarding 33 graduating high school seniors a \$1,000 scholarship to continue their education.

Investing in the future is important to these companies as displayed through their support for student education and the growth of their companies. Country Visions and CP Feeds pledge to attract and maintain an outstanding group of employees and that is evident in the long-standing commitment in years of service by many of their employees. Their scholarship program recognizes and rewards area students who wish to further their education at a college, university, technical or vocational school. These scholarships present a wonderful opportunity to expand the educational resources available for a new generation of leaders from the communities they serve.

A committee from Country Visions and CP Feeds reviewed the applications for this year's scholarship awards and are pleased to announce the names of the students who were selected. The scholarship recipients were selected on the basis of academic performance, recommendations, essay question response, extra-curricular activities, employment experience and completion of application.

Country Visions and CP Feeds have a strong agricultural involvement and want to promote the continued education of students with the same interest. The technology and opportunities in ag related businesses continues to advance, opening up the field to include more choices in ag related careers. These companies plan to continue offering this scholarship for students. You can find the criteria at <https://countryvisionscoop.com/About/Community-Involvement>. The 2023 application will be available later this year and the deadline to apply will be March 31, 2023. Investing and supporting youth promotes the mission of the companies by building a strong future for their members and communities.
