Country Visions Cooperative and CP Feeds, LLC Announce \$34,000 in Scholarship Awards

Brillion, WI (April 30, 2024) Country Visions Cooperative and CP Feeds, LLC extend their congratulations to the Class of 2024. Despite challenges, these students have showcased innovation, creativity, and perseverance, preparing them for the next chapter. To honor their commitment, Country Visions and CP Feeds have collaborated to award \$1,000 scholarships to 34 graduating high school seniors, supporting their educational pursuits.

Investing in the future is important to these companies as displayed through their support for student education and the growth of their companies. Their scholarship program helps area students who wish to further their education at a college, university, technical or vocational school.

All members and employees of Country Visions Cooperative and CP Feeds, LLC and their children planning for post-secondary education were eligible to apply for the awards. The scholarship recipients were selected from a large group of highly qualified applicants on the basis of academic performance, recommendations, personal essay, extra-curricular activities, employment experience and completion of application. Preference was given to students pursuing a degree in agriculture.

Country Visions and CP Feeds are awarding the following students the 2024 scholarships:

Country Visions and CP Feeds have a strong agricultural involvement and want to promote the continued education of students with the same interest. The technology and opportunities in ag related businesses continues to advance, opening up the field to include more choices in ag related careers. These companies plan to continue offering this scholarship for students. You can find the criteria at <https://countryvisionscoop.com/About/Community-Involvement>. The 2025 application will be available later this year and the deadline to apply will be March 31, 2025. Investing and supporting youth promotes the mission of the companies by building a strong future for their members and communities.

Country Visions Cooperative is a farm supply cooperative with their corporate office located in Brillion, WI. Country Visions Cooperative has been building long-term relationships with customers for over one hundred years offering a unique blend of agriculture and consumer related products and services from locations throughout northeastern Wisconsin and the UP of Michigan. The business includes Agronomy, Grain, Propane and Refined Fuels, with Convenience Stores, Country Stores, and quick food restaurants.

CP Feeds, LLC is a manufacturing supplier of agricultural mixes and feed ingredients for northeastern Wisconsin. The strength and growth of their business comes from CP Feeds dedication to providing the very best products and services to dairy producers in northeast Wisconsin. Previously operated as a partnership, CP Feeds became a wholly owned subsidiary of Country Visions Cooperative at the start of 2024. Their headquarters is in Valders, WI with another production facility in Wrightstown, WI.
