Country Visions Cooperative and CP Feeds, LLC Announce \$33,000 in Scholarship Awards

Brillion, WI (May 1, 2023) Country Visions Cooperative and CP Feeds, LLC would like to congratulate the graduating class of 2023. Innovation, creativity and perseverance prevailed and the students are ready for the next step. Country Visions and CP Feeds have partnered to offer support to these students for their dedication by awarding 33 graduating high school seniors a \$1,000 scholarship to continue their education.

Investing in the future is important to these companies as displayed through their support for student education and the growth of their companies. Their scholarship program helps area students who wish to further their education at a college, university, technical or vocational school.

All members and employees of Country Visions Cooperative and CP Feeds, LLC and their children planning for post-secondary education were eligible to apply for the awards. The scholarship recipients were selected from a large group of highly qualified applicants on the basis of academic performance, recommendations, personal essay, extra-curricular activities, employment experience and completion of application. Preference was given to students pursuing a degree in agriculture.

Country Visions and CP Feeds are awarding the following students the 2023 scholarships:

Country Visions and CP Feeds have a strong agricultural involvement and want to promote the continued education of students with the same interest. The technology and opportunities in ag related businesses continues to advance, opening up the field to include more choices in ag related careers. These companies plan to continue offering this scholarship for students. You can find the criteria at <https://countryvisionscoop.com/About/Community-Involvement>. The 2024 application will be available later this year and the deadline to apply will be March 31, 2024. Investing and supporting youth promotes the mission of the companies by building a strong future for their members and communities.
