May 2023

Country Visions will be mailing out patronage checks to the membership in early May. These checks will be based on profits generated by purchases from Country Visions and/or Country Visions grain purchases last fiscal year, which ended August 31, 2022. Over \$6.6 million will be mailed out for the cash portion, along with an additional \$10 million of equity being distributed to our member's equity accounts. The equity portion is used by the Co-op to help finance operations and generally gets paid out 10-12 years from the date it is issued. Getting money back into the hands of our membership is the great benefit of our Cooperative system. Thank you for your patronage.

The spring planting season is starting in some of our areas. That means large slow-moving vehicles, including farm equipment and Co-op equipment, will be driving on the roads. This, along with increased traffic this time of year, can make our roadways more hazardous. Please slow down and be alert when you come upon this equipment. We are looking forward to getting the planting season underway and remind everyone to be attentive on the roads to make this a safe year for everyone.

Our Energy division at Country Visions is comprised of Propane, Diesel Fuel, Clear On-Road Diesel, Gasoline, Fuel Oil, DEF and Cenex Lubricants. Our team of Energy CSRs (Customer Service Representatives) are available to assist you with questions relating to these products, schedule delivery and get you further assistance when you need it. They can be reached by calling 920/754-2240 or 800/236-4047. The office hours at all Energy Office locations is 7:00am - 4:30pm, Monday - Friday. Energy office locations include: Brillion, WI - 1010 W Ryan Street; Oconto Falls, WI - 718 Ralph Lemorande Drive; and Menominee, MI - 1803 10th Avenue. Outside of the business hours, a phone message will provide direction in case emergency service is needed.

Thinking about a career change or getting back into the workforce? Come work with us! Full-time or Part-time, find something that works best for you. See what positions are available and complete an on-line application at <https://www.countryvisionscoop.com/careers>. Stop in and talk with a location manager if you would like more information.

We truly appreciate your business and we're grateful for your support.
