Happy New Year! Let's welcome the year 2023 and celebrate a new start!

Let the Celebration begin! Country Visions Cooperative is celebrating an important milestone in 2023 – 100 years as a successful and growing business. We're excited to share our history and tell the stories from the cooperatives that have come together to form who we are today.

April 23, 1923 is the date used as the historical marker of the cooperative's beginning. Through mergers and acquisitions, Country Visions has an extensive amount of history. Our 100th anniversary doesn't solely focus on celebrating through reflecting on our proud past, we will also look to a successful future. We hope to connect with our membership, employees and communities as we focus on what makes us special - the people, the places and the partnerships. Throughout the year, watch for announcements of special events at our locations and opportunities for our members and employees to be a part of the celebration.

It's a new year and a good time to start a new career with Country Visions Cooperative! No matter your skill level or experience, there could be a place for you on our team. We're looking for committed individuals to join our company in a variety of positions. Full-time, part-time, and interns needed for openings in Energy, Agronomy, Grain, Retail and Food Service. Locations include Branch, Brillion, Chilton, De Pere, Fond du Lac, Malone, Manitowoc Rapids, Mishicot, New London, Oconto Falls, Plymouth, Random Lake, Readfield, Reedsville, Rockwood, Valders, Wrightstown. It's simple to apply. Go to <https://www.countryvisionscoop.com/careers> for a complete list of openings and to complete an on-line application!

When you want a reliable provider for your fuel needs, look to Country Visions. Our Energy products include Propane, Refined Fuels and Lubricants. If you would like more information about any of our energy products or have questions about services or contracting to lock in your price for diesel fuel, please reach out to one of our team members. Call 920/754-2240 or 800-236-4047 and someone will assist you.

If you are a propane or bulk fuel customer, we ask for your assistance to keep a clear access path to your propane, diesel and gas tanks and fill spouts for fuel oil. Please do not push snow up against tanks, as this could cause damage to the tank and the lines connected to it. Safety is a top priority, so we appreciate your assistance to make sure proper care is taken especially during the challenges of the winter season.

Thank you for your patronage in the last year and we look forward to being a part of your success in 2023!
