NEWS & NOTES

March 2023

www.countryvisionscoop.com | 800-236-4047

Scholarship application deadline is March 31st. Country Visions Cooperative and CP Feeds, LLC combine their support to offer scholarships to area students that are graduating from high school. Members of the class of 2023 are eligible to receive \$1,000 in funding for further education. There is a total of 33—\$1,000 scholarships that will be awarded. The parents, parent, or legal guardian of the student must be a member of Country Visions Cooperative or CP Feeds, LLC and have

purchased at least \$2000 worth of goods and services in the year prior to application from Country Visions or CP Feeds. Entry requirements, qualifications and application are available at www.countryvisionscoop.com, at area high schools or request by email to info@cvcoop.com. All required data must be postmarked, emailed or delivered to Country Visions office in Brillion, WI by March 31, 2023.

Recently, 1099-PATR forms were mailed to all members who received patronage paid to them in April 2022. This patronage distribution was for your purchases from our fiscal year September 2020 to August 2021.

The dollar amount on your 1099 form is your full, 100% patronage dividend distribution. You received a check for 40% of this amount (100% if you are age 70 or older) and the other 60% remains as your equity in Country Visions Co-op. All members must meet the \$2,500.00 of required permanent equity and amounts exceeding that may eventually qualify for payout as revolved equity. We are currently on a 10-year revolvment of qualified equities.

The members who have to claim the amount on the 1099 form as taxable income are those members who use what they purchase as a deduction on their income tax return, such as farmers, salespeople and businesses. For all others this is nontaxable income. Generally speaking, if what you bought was claimed as an expense, then what you got back is claimed as income. *If you are unsure, it is recommended to consult your tax advisor regarding your particular tax situation.*
