GROW YOUR VISION

Merry Christmas from all of us at Country Visions Cooperative!
In the year ahead, we look forward to continuing to provide you with products and services that bring you peace of mind, whether for your farm, home, or business. Wishing you all the joys of the season and happiness throughout the coming year!

Propane & Fuel Delivery—Winter is upon us, so we'd better be ready to shovel, blow or plow lots of snow. We ask for your assistance as a propane and/or bulk fuel customer to keep a clear access path to your propane, diesel and gas tanks. Please do not push snow up against tanks, as this could cause damage to them or the lines connected to it.

Holiday Hours—Now that it is December, it feels like the Christmas and New Year's holidays are approaching fast. Please be aware that you may experience limited staff and business hours for many locations from Christmas Eve through New Year's Day. Plan ahead for any business that you may need to conduct. All departments will be closed on Christmas Day, Wednesday, December 25 and all departments, with the exception of the Convenience Stores, will be CLOSED on New Year's Day, Wednesday, January 1. Retail locations will have reduced hours for the holidays, so please look for notices in the stores or call ahead.
