

Grain Disposition

- It's the farmer's responsibility to advise us of the marketing intentions for each load of grain.
- Grain Must Be settled within 10 days of average delivery OR a maximum of 15 days from the first date of delivery. At this conclusion, unsettled grain **Will** be put to storage and appropriate charges applied **without notice**.
- Please be sure to let the counter personnel know if the grain ticket is to be split at the time of delivery.
- Priced grain wanting to be put towards deferred payment should be notified prior to delivery. Please call a Five Star grain representative to discuss your options.
