Dear GCC Members,

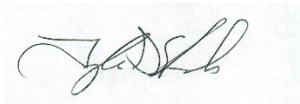

We hope this letter finds you well. As part of our ongoing efforts to ensure our cooperative remains compliant with evolving laws and regulations, as well as to align our policies and procedures with current and future board practices, your Board is proposing several changes to our Articles and Bylaws. These changes are intended to provide clarity and protection for all members while enhancing the cooperative's operational efficiency.

The proposed changes to the Articles and Bylaws are attached. These proposed changes are essential for maintaining our cooperative's integrity, ensuring compliance with legal requirements, and adapting to technological advancements. We encourage all members to review these changes thoroughly. We have included a copy of the current Garden City Coop Articles and By-Laws as well.

These proposed changes will be voted upon at the Annual Meeting held on December 10th, 2024. Any questions or concerns regarding these proposed changes should be directed to the Board of Directors. The Board can be contacted directly or by email at board@gccoop.com. The Board is fully supportive of these proposed amendments and asks for your affirmative vote at the Annual Meeting. Your participation and feedback are highly valued as we strive to improve our Cooperative for the benefit of all members.

Thank you for your attention to these important matters. We look forward to seeing you at the Annual Meeting.

Sincerely,

Tyler Hands
Board Chairman
