

FEED GREATNESS®

## PURINA® EQUITUB™ WITH CLARIFLY®

Easy-to-feed horse supplement  
that provides consistent nutrition  
and seasonal fly control.

EquiTub with ClariFly provides gastric support, fly control and high-quality nutrition in one, self-fed form. This palatable tub is palatable and designed for multi-horse convenience.

### Gastric Support

Formulated with Outlast® gastric support supplement to support optimal gastric pH.

### Feed-Through Fly Control

Contains ClariFly® Larvicide to help control fly populations by interrupting their life cycle.

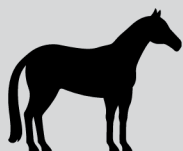

### Body Condition & Shine

Contains Amplify® high-fat horse supplement to maintain body condition, shine and bloom.

### High-Quality Ingredients

Made in an ionophore-free facility and provides essential nutrients typically missing in forage.
