2024 Planter Maintenance Clinic

DATA DRIVEN DECISIONS

CENTROL[®]
PRECISION AG

February 23, 2024
9:00 A.M. - Noon, Lunch to Follow
Grinnell Agronomy Center

*Featuring representatives from
Precision Planting® and Ag Leader®.*

Learn how you can achieve a great stand
with the planter you already own!

Don't let a simple adjustment or
neglected component hinder your success
next season. This planter maintenance clinic
will teach you how each part of the planter
interacts with and affects the entire
planting system.

Let's get set for success in 2024!

Questions? Call Jared Togle, CENTROL
Precision Ag Manager, at 641-990-4554
