

Propane Contracting Season is Here!

Get your contract in July & August

Key Cooperative has access to the best propane rates during the summer months, which is why we have officially kicked off contracting season. Key offers three contract options.

Pre-Paid Fixed Price Plan

- Requires full payment at time of agreement.
- Contract locks in committed gallons at a fixed price per gallon.
- With pre-pay, this plan gives you a \$0.05 discount.

Fixed Price Plan

- Does not require any pre-payment.
- Contract locks in committed gallons at a fixed price per gallon.
- Invoiced amount is for delivered gallons at the contracted price plus tax.

Monthly Budget Billing

- Spreads your billing out into level monthly payments.
- Budget billing amount includes tank rental and taxes.
- We will review your usage over the winter and re-balance your monthly amount as needed.
