

# Aid Your Horse's Hydration, Recovery & Comfort

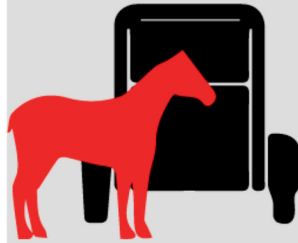

Purina® RepleniMash™ isn't your ordinary barn mash!

With Outlast® Gastric Support Supplement and a science-backed serving of electrolytes built-in, this tasty mash can help your performance horse feel his best.

After a hard workout

While traveling

To encourage your horse to eat and drink

To help disguise the taste less palatable medications when fed together

Anytime you want to treat your horse & show you care

When should you feed RepleniMash?

Care for your horse with RepleniMash™  
from Key Cooperative!
