

Donate Bushels Today

Key Cooperative is partnering with your local FFA chapter for the 2026-2027 school year in a program called Bushels for Ag. In the collaborative effort, Ag students will have the opportunity to gain experience marketing corn and soybeans in their school's Ag Marketing class.

Key Cooperative will help get the program started by donating the first 100 bushels of corn and 40 bushels of soybeans to each participating FFA chapter. Any producer desiring to donate to the program is welcome to do so by filling out the form below or by contacting your local Key Cooperative Grain Office.

All proceeds will go directly to the FFA chapter. For more information about Bushels for Ag, please contact Brent Metzger at 515-291-6050. Thank you for your support!

PARTNER WITH US TODAY!

Simply designate an FFA chapter from the list below as well as how many bushels you would like to donate. Please designate a minimum of 10 bushels. This form will allow us to transfer the contribution directly from your Key Cooperative account to the FFA chapter of your choice.

AUTHORIZATION TO TRANSFER BUSHELS

I, _____, authorize Key Cooperative to transfer _____ bushels of **corn** or **soybeans** (circle one) from my Key Cooperative grain account to the following FFA chapter.
