

# CREEP FEEDER PROGRAM

Key Cooperative is pleased to offer area producers the opportunity to purchase calf creep feeders through the 2023 financing program. Feeders are manufactured by Feed Train in Unionville, Missouri.

- Regular price = \$5,300
- 3 Year financing available with annual payments of \$2,100
- Well built 155 bushel feeder that will last for years and holds approximately 3 tons
- Durable plastic feed trough that won't rust
