

Please Read Contract Instructions Below

Dear Patron,

Thank you for choosing Linn Co-op as your propane supplier. We look forward to your business in the upcoming heating season.

Enclosed you will find your Propane (LP) contract for the 2026-2027 heating season. We offer three convenient options- Prepay, Budget, or No Contract.

****Explanations of the different contract options and Summer Fill is on reverse side of this page****

The contracts are prefilled with your 2025-2026 heating season's usage rounded up to the nearest 100 gallons. **This number does not include your 2025 summer fill.** This is done for your convenience, but if you choose to contract a different number of gallons, cross out and recalculate the figures. If you need assistance, please feel free to call the main office at 319-377-4881.

Business contracts- please add an additional 6% state sales tax.

Contracts are available to customers with 500 or 1000 gal tanks used for Home Heat.

Smaller tanks and shop tanks are not eligible for contracts or scheduled deliveries and will be on a "Will Call" basis only unless remotely monitored. Monitor rental available for \$65 per year.

****MINIMUM 300 GALLONS CAN BE CONTRACTED****

All prepay/budget contract customers will be on a **SCHEDULED ROUTE** delivery basis until all contract gallons have been delivered or the expiration of the contract date, whichever comes first, then will default to your chosen delivery option.

Home heat gallons will be delivered **September 1st 2026 through March 31st 2027**. Any unused paid for gallons will convert to a monetary credit on your account.

Your signature on the enclosed contract affirms your receipt of our annual safety information and that you have chosen your preferred delivery option, valid September 1st 2026 through August 31st 2027.

We must have this paperwork in office before any deliveries can be made, even if not contracting gallons.

Contracts are non-transferrable
Past due or C.O.D accounts are not eligible.

Contracts are due July 31st to lock in the price printed.

Contracts postmarked after July 31st are subject to price changes.

We will accept contracts until August 31st.

IF NOT CONTRACTING GALLONS

To receive gallons during the upcoming season

A contract marked "NO CONTRACT" must be returned to our office.

By August 31st, 2026

Prepay Contracts

Paying for your heating needs up front has its perks! You get a \$0.10 per gallon discount compared to budget and you don't need to worry about making a monthly payment. Once you are out of your contracted gallons, the price per gallon will be the truck price the day of delivery.

Delivery options available to prepay contracts are either #1 Scheduled Route or #2 Contract Only

Budget Contracts

Budgeting your contract allows you to break up your total amount due into 10 smaller payments. Making your budget payment on time every month allows our driver to continue delivering your contracted gallons. If your account becomes **60 days delinquent**, we cannot deliver gallons until your account is caught back up. If this happens, please call the main office to make arrangements. 319-377-4881

The first budget payment is due with the contract. On your August statement you will be billed for your 2nd payment (due September) and then every month thereafter until the final billing in April (due May) or the 10 payments have been made.

Delivery options available to budget contracts are either #1 Scheduled Route or #2 Contract Only

*If you have contracted with us before you may have noticed we had a change to our budget contracts. We will not accept any contracts for gallons less than your previous year's usage. You must contract enough to cover your usage. *

Budget payment schedule

Payment	Due
1	With contract
2	September
3	October
4	November
5	December
6	January
7	February
8	March
9	April
10	May

Budget Contracts turned in after the July 31st due date may be subject to a 2 payment with contract requirement depending on your billing cycle.

Linn Co-op reserves the right to deny Budget contracts after August 15th

No Contract

Prepay and/or Budget contracts are not required. LP sales not under contract will be billed at the current truck price the day of delivery. Please mail your contract back to us as it also signifies that you have received and understand the safety paperwork enclosed. **We cannot deliver if we do not have a signed contract.**

Delivery options available to no contracts are either #1 Scheduled Route or #3 Will Call

Summer Fill

Summer Fills are separate from your contract. Gallons are delivered July-August at usually the best/lowest price of the year. Getting a summer fill ensures your tank is full going into the heating season at the best price.

Prepay LP GAS HEAT CONTRACT & DELIVERY OPTIONS

For Office Use:
Date Entered: _____
Initials: _____

Name: _____

Delivery Address: _____

PO Box 406 Marion, IA 52302
(319) 377-4881

DELIVERY OPTIONS

Please choose one of the options below. **If an option is not marked, deliveries will not be made.**

- ☐ 1. **Scheduled Route** - Driver checks the tanks and fills as needed year-round.
This includes 2027 Summer Fill (Billed Separately)
- ☐ 2. **Contract Only** - Driver checks the tank and fills as needed until contracted gallons run out or March 31st, 2027 whichever comes first. After that I become a **WILL CALL** – see policy document for details
☐ I want a SUMMER FILL in 2027 (Billed Separately)
- ☐ 3. **Will Call** – Not purchasing a contract and will order my LP gas as I want it delivered. I understand the procedures and fees associated with being a will call customer as detailed on the policy document.
☐ I want a SUMMER FILL in 2027 (Billed Separately)

I have received and understand my LP gas safety information letter from Linn Co-op. I am familiar with the odor of LP gas and understand the dangers of it. I agree to the Terms & Conditions of this document. Safety Contract valid Sept 1st 2026- Aug 31st 2027
