Setup a FarmerData Account

1. Go to www.farmerdata.com

2. Click "**User Registration**"

3. Fill out the "**Verify Account Availability**" form

   Company - Lookup participating companies by typing part of the company's name or a location/branch. If a company is already selected, click to edit.

   Account Number - Enter a valid account number. Preceding zeroes will be added automatically.

   Password /PIN Number - Please enter your Account Password/ PIN number initially provided by your company. If you are unsure of these, please try the last four digits of your SSN or contact your company.

   I'm Not a Robot - Please check the box "I'm not a robot". This is a "CAPTCHA" input field. The term "CAPTCHA" means "**C**ompletely **A**utomated **P**ublic **T**uring **T**est to tell **C**omputers and **H**umans **A**part". This verification test helps keep accounts secure. You may have to complete an additional test where you select images.
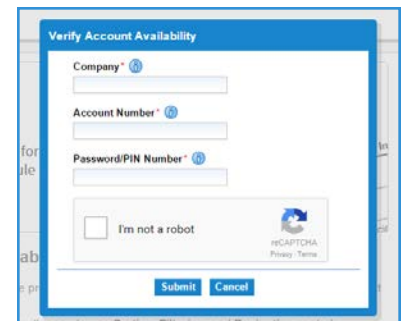

4. Fill out the "**User Registration**" form

   1. Provide your name and a valid email address. FarmerData does not allow an email address to be used by more than one account. If you have multiple accounts, see the section "*Managing Multiple Accounts*".

   2. FarmerData notifies you, via email, when online statements* are available. You can disable notifications by unchecking the selection box. (*Not all FarmerData Service Providers use online statements. Please contact your FarmerData Service Provider about online statements)

   3. Select your FarmerData Username & Password. Username & Password length must be a minimum of 5 characters and can be a maximum of 15 characters. Usernames must start with a letter and can only be composed of letters(a-z), numbers(0-9), & underscores(_).
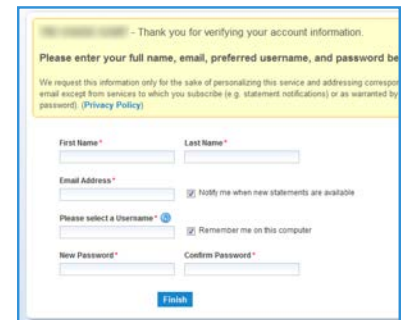

5. Read & Accept the Terms of Use.

6. You are logged into your FarmerData Account. An email with login information will be sent to the address you provided. Click "**Select this Account**" to access account detail. Click "**Account Settings**" to add additional accounts and change your email/ password.
