	Web Logn  Password	Account Number Store Number Invoice Number		
	Logn Cancel Create Account	Add Account	/	
	Forgot Username? Forgot Password? v47.2.10			

You will need the following information to setup your account. You will need to have an available invoice from after August 1<sup>st</sup> to setup an account. If you do not have some of the required information, please contact the General Office and we can set the account up for you.

- Account Number This is your new account number that you will find on an invoice
- Store Number The Store Numbers are as follows
  - Alton 011
  - Bellaire 021
  - o Burr Oak 031
  - Portis 041
  - o Downs 051
  - Lebanon Elevator 061
  - Lebanon Station 062
  - Luray Elevator 071
  - Luray Station 072
  - Mankato Elevator 081
  - Mankato Station 082
  - Osborne Elevator 091
  - Osborne Station 092
  - Feedmill 094
- Invoice Number from your receipt

Once you have entered the information, click "Add Account"

This will bring you to another screen to setup your username and email address. The system will then email you a temporary password for you to login the first time. You will then be forced to make a new password.

Soon we will be able to accept online payments through this portal, but you can see your current account activity. Call with questions please.
