

Midway Coop Patron,

To improve our business processes and provide you with more timely service, we are transitioning to email delivery for sales tickets and monthly statements. This change will help us save on postage and supplies, improve efficiency, and allow us to pass those savings on to you.

As an added incentive, customers who sign up for emailed statements during the month of June will receive \$10 credit on their June statement. To qualify, we must receive your completed form or email request by June 30. THIS ONE TIME CREDIT WILL ONLY BE GIVEN TO PATRONS WHO FILL OUT THE FORM BELOW DURING THIS TIME.

By opting for emailed statements, you will receive your documents faster, giving you more time to review and pay your statement. We also offer online bill payment through our customer web portal, which can be set up for autopay for added convenience.

Setting up online bill pay is easy. Simply fill out the enclosed "Online Payment Form" and return it to us by mail. If you would like your account paid automatically, please complete the enclosed "ACH Recurring Payment Form." Customers enrolled in automatic payments will receive an email confirmation prior to the electronic transfer from Midway Coop to their bank account. You will continue to receive your monthly statement with either option.

Online bill pay can be accessed at: customers.midwaycoop.com

You may also visit: midwaycoop.com and click "New Account Access" at the top right of the screen.

Invoices and statement balances are also available anytime through our app, **Midway Co-Op Portal**, giving you quick and convenient access to your account information. It is available through either the Apple App Store or Google Play Store. If you need help setting up the app go to the following website to learn more: <https://www.midwaycoop.com/news/midway-co-op-news/access-your-information-anytime-anywhere>

Please cut and return this portion with your payment.

- Yes, I would like to switch from paper to email for delivery of sales tickets and monthly statements.
