Midway Coop and Land O'Lakes Invest \$4,000 in Luray Fire Department

LURAY, Kan. - Midway Coop, in partnership with Land O'Lakes, recently invested \$4,000 in the Luray Fire Department to support the department's ongoing efforts to protect the Luray community. Midway Coop contributed \$2,000, and Land O'Lakes provided a matching contribution of \$2,000, bringing the total community investment to \$4,000.

The investment is part of Midway Coop's continued commitment to strengthening the communities it serves by supporting local organizations that provide essential services. Volunteer fire departments play a vital role in protecting area residents, businesses, farms, and emergency responders, and Midway is proud to help support their mission.

"We're grateful for the dedication and service our volunteer firefighters provide each day," said Craig Mans, General Manager of Midway Coop. "Through our partnership with Land O'Lakes, we're able to make meaningful investments that help strengthen the communities where our members, employees, and customers live and work."

Midway Coop also expressed its appreciation to Land O'Lakes for partnering in the community investment program and helping expand the impact of local giving initiatives.
