

Purina® Home Grown® Layer Pellets and Crumbles

Recommended for:

Laying hens 18 weeks and older to support hen health and consistent egg production.

Why choose Purina® Home Grown® Layer Pellets and Crumbles:

Purina® Home Grown® Layer Pellets and Crumbles are a value option to provide the nutrients hens need to stay happy and healthy.

Key benefits and features:

- **Premium, mixed grains:** Freshly-ground North American grains
- **16% protein, 3.25% calcium:** Maintains hen health and supports consistent egg production
- **Essential amino acids:** Enhanced with lysine and methionine to help produce wholesome eggs and beautiful feathering
- **Value option:** For additional features including prebiotics, probiotics and the Oyster Strong® System, consider Purina® premium poultry feeds.
- **Available in pellets and crumbles:** Choice is a personal preference. Pellets are a great way to limit feed waste.

Feeding directions:

Feed Purina® Home Grown® Layer feed to laying hens as at least 90 percent of the diet. Pellets and crumbles include the same nutrition, so choosing between the two is a personal preference.

During molt, switch to Purina® Flock Raiser® Feed for added protein needed for feather regrowth. When hens start laying again, transition back to Purina® Home Grown® Layer feed.

Guaranteed analysis:

Crude Protein (min)	16.00%
Lysine (min)	0.75%
Methionine (min)	0.25%
Crude Fat (min)	2.50%
Calcium (Ca) (min)	3.25%
Calcium (Ca) (max)	4.25%
Phosphorus (P) (min)	0.45%
Salt (NaCl) (min)	0.10%
Salt (NaCl) (max)	0.60%
Vitamin A (min)	3,750 IU/lb
Vitamin E (min)	10 IU/lb
