

Sheep

Purina® Sheep Nutrition Program

Purina® Wind & Rain® Sheep Mineral

Mineral for all classes of sheep

Formulated with our patented and proven Wind & Rain® technology to help reduce clumping, therefore reducing waste while saving you time and money. Now contains Availa® zinc and manganese to support hoof health and reproductive efficiency.

FEATURE

BENEFIT

Wind & Rain® technology

Patented process results in reduced clumping and waste.

Availa® zinc and manganese

Supports hoof health and reproductive efficiency.

High in calcium

Reduces the risk of milk fever, ketosis and aids in parturition success.

High in trace minerals

Meets and exceeds nutrient requirements of high producing ewes.

Efficient

Optimum intake is just 1 ounce per head per day.

Added vitamin E,
selenium and iodine

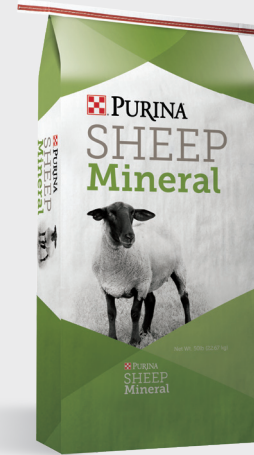

Antioxidants to support overall immune function.

Directions:

Feed this product free choice to sheep receiving rations composed largely of grass hay or to sheep grazing range or grass pastures. Optimum intake is 1 ounce per head daily.

Caution:

Follow label directions: Feeding added selenium at levels in excess of 0.3 ppm in total diet is prohibited. Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, performance loss or death.

USE ONLY AS DIRECTED.
