

## CONTRACTOR PROGRAM

For each propane primary heating system installed, the HVAC or plumbing contractor that refers the customer to ongoing propane service with Premier Cooperative is eligible to receive a \$50 check or credit on account.

Eligibility requirements include:

- 1. LP as only source of heat** (no wood burning stoves or geothermal heat pumps)
- 2. 500-gallon tank (or larger) set**
- 3. Home builds only (no businesses)**

Submissions will be reviewed quarterly. Once deemed eligible and enrolled for the program, submissions can be sent and confirmed by Shane McCully @ [shane.mccully@premiercooperative.com](mailto:shane.mccully@premiercooperative.com) With any questions on eligibility please feel free to contact us at 608.291.3010
