

## PLANT NOW, PAY LATER: CROPLAN 0% INTEREST PROGRAM WITH FCC

We are pleased to offer **interest free financing** on your purchases of CROPLAN Seed from Sept. 1, 2024 - Jan. 31, 2025. At WinField United Canada, we fully understand the financial challenges that Canadian farmer's face each and every day and we believe partnering with a trusted lender like FCC only further highlights our commitment to providing reliable solutions.

FCC Input Financing is the simple and flexible way to free up your cash flow.

### CROPLAN SEED 0% INTEREST PROGRAM

- **Sept 1 - Jan 31:** Order period for CROPLAN® Seed
- **Dec 15 - Jan 31:** Disbursement period
- **Dec 15 - Sept 30:** 0% Interest covered by CROPLAN Seed
- **Oct 1 - FCC program rate start**

## VALUE OF INTEREST FREE PROGRAMS

### EXAMPLE:

- \$100,000 of CROPLAN seed is purchased from your participating independent ag retailer
- Current interest rates for standard operation loans through banks and FCC are approximately 8%, resulting in a financing cost of \$8,000 per year.
- OR order your CROPLAN seed in the fall with disbursement prior to December 15 and payment prior to September 30, 2025, and **save up to \$6,333.00 in total interest costs.**

### GROWER BENEFITS:

- Interest saved
- Flexibility to match new crop grain sales to expenses
- Ability to take advantage of any early pay options offered by retailers either on seed or freeing up money to use elsewhere

**For more information contact your local CROPLAN distribution partner today.**
