

We are here to help you maximize your opportunities with the H2Ohio statewide expansion.

## PROGRAM ELIGIBILITY

- ◆ Must be within the state of Ohio
- ◆ Row-crop growers that farm outside of the Western Lake Erie Basin
- ◆ Acres receiving payments for similar practices under any county, state, or federal program (CSP, EQIP, H2Ohio, etc.) are not eligible.

Work with our 4R certified facilities, Precision Solutions Team and CCA's to develop and implement **YOUR** VNMP!

## SUNRISE H2OHIO DATA PROCESSING SERVICES:

### VNMP Development (2024):

includes building VNMPs by providing and submitting all necessary data and nutrient planning requirements through **MyFarms**.

### VNMP Implementation (2025 & 2026):

includes providing and submitting all required data through **MyFarms** to complete the implementation, certification and verification processes.

Contact your Sunrise representative for pricing.

**DEADLINE**  
**MONDAY, MAY 31, 2024**  
 or until ODA enrolls  
 500,000 acres
