

On February 25, your gift to the Ohio FFA Foundation will go twice as far with a matching contribution from Sunrise Cooperative.

Continuing the Tradition of Success

With your help, today's Ohio FFA members are developing skills, to become tomorrow's legislators, farmers, scientists, communicators, engineers and industry leaders.

By building career readiness and leadership skills, FFA is bringing to life our vision of providing the next generation of leaders who will change the world. Join us in making this possible.

Changing Students' Lives

Through our contests, camps and conventions, Ohio FFA members develop life skills to serve them for years to come. Your gift helps keep participation costs low for students. Through recognition programs like Career Development Events, Proficiency Awards, Agriscience Fair and others, outstanding FFA members are rewarded for putting their classroom knowledge to use in a hands-on atmosphere.

Seeing the Impact

"Being involved in FFA has helped me develop countless skills and provided me many opportunities otherwise impossible. These amazing opportunities allowed me to meet students from all over the nation while learning how to work as a team. It is incredible to see the unity among FFA members at state and national conventions all symbolized by the FFA jacket."

*Nolan Newman, North Adams FFA Member
2019 Ohio FFA Scholarship Winner*

"Participation in FFA provides students the building blocks for a strong future. Supporting the Ohio FFA Foundation allows Sunrise Cooperative to be actively invested in our future leaders, and together, we are growing success."
