

We are here to help you maximize your opportunities with H2Ohio!

PROGRAM REQUIREMENTS FOR ALL PRACTICES

- ◆ Within the 24 county project area
- ◆ Must have a Voluntary Nutrient Management Plan (VNMP)
- ◆ Must not be participating in other programs on enrolled acres
- ◆ May be enrolled for up to 4 Years

Work with our **4R certified facilities, Precision Solutions Team** and **CCA's** to develop and implement **YOUR VNMP!**

SUNRISE H2OHIO DATA PROCESSING SERVICES:

Year 1: development of VNMP and data submissions to SWCD

Years 2 - 4: maintaining VNMP and any additional program data submissions to SWCD
