

# JSA SELECT PRICING®

JSA Select Pricing® is a producer marketing tool that allows JSA to establish a hedge, while actively managing the position throughout the growing season to enhance your final price.

JSA Select diversifies your marketing plan by providing guaranteed execution on a fixed amount of bushels.

100% of bushels enrolled are priced by the end date.  
No Double up or Knock Outs.

Full Transparency with commentary, weekly pricing updates and trade notifications. All available on our JSA Today app.

Multiple pricing windows available- to deliver in the fall or out of the bin. Programs available for corn, soybeans and hard red wheat.

Your contract is with your grain buyer. Basis is set with the grain buyer and fees are collected at time of delivery.

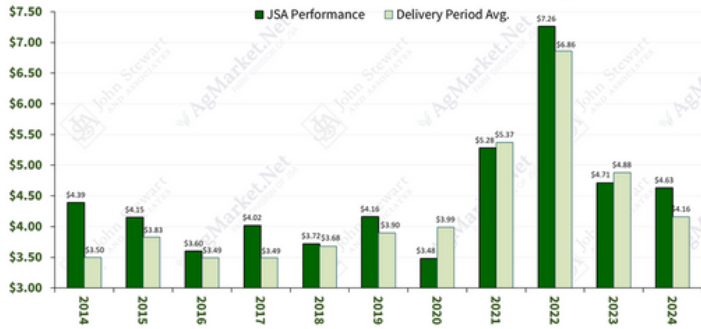

Sign up deadline is January 30, 2025 for Corn and Soybeans.

**PROFESSIONALLY MARKETED  
WITH A FUNDAMENTAL  
APPROACH AND TECHNICAL  
INFLUENCE**
