**Feeding Directions:** Co-op Pinnacle Mineral is designed to be a complete vitamin/mineral supplement. It can be used as a top-dress on a lowly-fortified concentrate or fed alone to supplement a forage-only diet. Feed at a rate of 2 oz per head per day. One tablespoon of Co-op Pinnacle Mineral weighs approximately 0.6 oz. If top-dressing this product in combination with other nutritional supplements, utilize the nutrient content information on this product to determine precise feeding rates. Do not feed more than 3 mg of supplemental selenium per head per day. 5.6 oz of this mineral will provide 3 mg of selenium. Horses must have free access to clean, fresh water at all times.

**CAUTION:** Do not feed to sheep or other copper-sensitive animals.

Manufactured By
