

Job Title: Equipment & Facilities Maintenance and Repair
Location: Montrose
Reports To: Maintenance Manager
Salary: Salary to commensurate with experience

Required Education and Experience: High School Diploma or GED. Basic auto mechanic & industrial maintenance courses, VoAg welding, cutting, or experience.

Job Requirements:

- Must have or be able to obtain an Illinois commercial driver's license (CDL) with "X" endorsement
- Must have a good driving record
- Possess a self-motivating personality as well as team building skills
- Have arc welding, wire welding, and torch welding skills
- Ability to read, analyze and interpret common data

Essential Functions:

1. Follow all established personnel and safety policies and procedures
2. Maintain and repair company owned equipment and facilities
3. Acquire and maintain knowledge and understanding of the computer-controlled process in facilities
4. Must have the ability to read wiring schematics and blueprints
5. Have a working knowledge of plumbing and electrical systems
6. Attend training as directed by Maintenance Manager & Safety Director
7. Assist locations and departments in-season as needed
8. Design and installation of ammonia facilities

Work Environment: While performing daily duties the employee will be working near moving mechanical equipment, in outside weather conditions, and may have exposure to fumes or airborne particles. Occasionally works in high precarious places. Peak seasonal periods require extended hours. Must be available for emergency breakdowns (nights, weekends, and holidays).

Travel: The employee may be required to travel to other locations, conferences, educational opportunities, and other job-related activities.

Other Duties: Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties, or responsibilities that are required of the employee for this job. Duties, responsibilities, and activities may change at any.
