

## Job Description Agronomy Internship

### ABOUT THE COMPANY

Chartered in 1919, The Equity is one of the largest independent agricultural cooperatives in Illinois. The Equity offers a broad range of products to fulfill our customers' needs within the areas of Agronomy, Grain, Feed & Livestock, Energy, and a Retail Store. Our market covers approximately 20,000 square miles with 23 different locations. The Equity strives to provide the best products, latest technology, and highest quality service.

### THE POSITION

The Equity is seeking Agronomy Interns who are pursuing a B.S. degree(s) at a four-year college/university with a major in agronomy, crop science, agriculture business and related fields. Candidates should have strong communication skills, with the capacity to pay attention to detail, think analytically and work independently.

The internship will expose students to the many facets of ag retail, which include, but are not limited to:

- Work with locations to carry out day-to-day operations
- Complete a research project, analyzing the results and present the findings
- Scout fields for weeds, insects, and diseases
- Work with salesmen to learn about their careers
- Participate in weekly supervisor meetings, agronomy training sessions, field days, and internship development program
- Build agronomy product knowledge regarding seed, pests, seed treatments, adjuvants, micronutrients, chemicals, and fertilizer
