

## Job Description Crop Production Internship – SOE

### ABOUT THE COMPANY

Chartered in 1919, The Equity is one of the largest independent agricultural cooperatives in Illinois. The Equity offers a broad range of products to fulfill our customers' needs within the areas of Agronomy, Grain, Feed & Livestock, Energy, and a Retail Store. Our market covers approximately 20,000 square miles with 23 different locations. The Equity strives to provide the best products, latest technology, and highest quality service.

### THE POSITION

The Equity is seeking Crop Production interns who are pursuing a degree in agronomy, crop science, agriculture business and related fields at a college/university. Candidates with strong communication skills combined with a passion for agriculture should apply.

The internship will expose students to many facets of ag retail, which will include, but are not limited to:

- Make deliveries of seed, fertilizer, and chemicals
- Custom application of fertilizer
- Scout fields for weeds, insects, and diseases
- Fill anhydrous ammonia tanks
- Work with salesmen and applicators to learn about their careers
- Participate in agronomy training sessions, field days, and internship program
- Build agronomy product knowledge regarding pests, chemicals, and fertilizers
